

## HELLO STUDENT!

Thank you so much for registering for a ceramics classes at Green & Bisque Clayhouse. We're so excited to meet you! Important dates, deadlines, and studio information can be found on the [Student Portal](#) page on our website in the header, please take a look before the start of class.

---

## WELCOME TO GREEN & BISQUE CLAYHOUSE!

---

### OPEN STUDIO HOURS FOR THIS SESSION:

#### Monday thru Friday

10am - 9pm

(Access from 10am - 6pm after week 6)

#### Saturday

10am - 5pm

#### Closed on Sundays

*Your open studio access starts immediately after your first class meeting. We are closed on Sundays, unless otherwise noted as hours are subject to change during workshop/event days. Students will be notified well in advance if this is to occur. The studio closes promptly at stated times above. Students may NOT stay past closing and will need to begin wrapping up 20 to 30 minutes before the studio closes.*

**Open studio time is a privilege. It is very important to note that students who are in the studio past open studio hours will lose studio access privileges and will not be allowed to access the studio outside of class again.**

---

Please arrive 10 to 15 minutes early on the first day of class. When you come into the studio, you will be greeted by a staff member. Please let staff know which class you are enrolled in so that they can check you in and direct you to the front studio classroom where your classes will be held. If you don't already have a toolkit, you can purchase a tool kit in our store for \$31.95 + tax for a wheel throwing kit or \$39.95 + tax for a hand-building kit. Our toolkits contain everything you will need and then some. All the tools in the tool kit are of the highest quality by the top brands in ceramics - they are made to last. Feel free to purchase ceramics toolkits from Amazon, Blinks, & other art supply stores!

A staff member will be giving a studio tour to the students promptly at the beginning of class. Please arrive on time. We recommend bringing a water bottle, apron, and small towel into the studio. Once you are checked in, you will be given a complimentary 25 pound bag of clay on your first day of class. Clay storage will be provided (you may only store one bag at a time) but please take the rest of your personal belongings with you after class and after working independently during open studio time. The best place to keep your tools and extra bags of clay is in your car!

A great deal of effort goes into keeping a clean and safe environment for creativity to flourish in. We ask that you please help keep our studio clean throughout your time with us. The motto we operate by is to leave the studio better than you found it. Please click [HERE](#) to view our Studio Etiquette Policy.

We love when students and members tag us on Instagram. Follow and tag us at [@gbclayhousepasadena](#) and we will repost your story/post!

Please let us know if there is ever anything we can do to assist you. We hope you have a wonderful time at our studio.

**Thank you for having us along on your clay journey - it's time to get muddy!**
